SYARIFAH REKA AIDILA

Informatics Graduate & Junior Programmer

ABOUT ME

Informatics graduate from Universitas Ahmad Dahlan based in Batam, with experience in web and desktop application development. Skilled in managing the full development lifecycle, including UI design, feature implementation, data management, and application testing. Proficient in HTML, CSS, JavaScript, Python, Java, and Microsoft Office. Adaptable to remote or on-site work environments, detail-oriented, and effective both independently and in collaborative team settings.

EDUCATION

S1 Informatika Universitas Ahmad Dahlan	2019 - 2026
